

# **REGION 20 ART DISPLAY**

Hello Art Teachers!

During the month of February, HISD will be displaying 12 pieces of student art at the Maples Conference Center. Because we are limited to only 12 pieces, I ask that you prepare the two pieces from your campus that demonstrate some of the best work being done by your students. The pieces must adhere to the following guidelines:

Size - No larger than 18" X 24" and no smaller than 14" X 18"

Medium - Drawings and Paintings ONLY, must be mounted on HEAVY poster board

Labeling - on the front, each piece should have a tab with the Student's Name, Teacher, School, and District

Because this work will be viewed by many many educators outside of the HISD district, I ask that your displays exhibit the highest level of professionalism.

Once all artworks are received in my office, I will select 12 pieces to represent all of HISD.

**Artwork that is to be considered for this honor will need to be submitted to my office no later than Friday, January 24, 2013.**
